

Regional First For Exeter Based Security Company

Marsh Barton Security Services are pleased to announce that following their recent assessment by NSI, they have been awarded a Certificate of Approval to indicate that they have met the requirements of the Approved Contractor Scheme operated by the Security Industry Authority. This is in addition to their ISO 9001 and NSI Gold Registration.

Proprietor Mike Stoddard praised staff at Marsh Barton Security Services for their efforts to achieve this important standard which indicates to potential customers that they are able to provide security services which meet the highest standards.
